21F – Course Available through Section 21F: Expanded Virtual Learning

*CAREER ZONES - Broad groupings of careers that share similar characteristics and whose employment requirements call for many common interests, strengths, and competencies.

ACCOUNTING I (VPAA/OLE/SMR) – V130 10, 11, 12 1.0 credit

Accounting I is a one-year course which covers the accounting cycle beginning with the opening entry in the journal, posting to the ledger, preparing a trial balance, a worksheet, and financial reports or statements of a business. A practical project using actual business forms to reinforce concepts of the accounting cycle and procedures is also used. Business students may qualify for college credit through an articulation agreement.

*Course content may address skills pertaining to these potential Career Zones: *Business, Management, Marketing, & Technology*

ACCOUNTING II (Computerized Accounting) (VPAA/OLE/SMR/CP) – V135 11, 12 1.0 credit

PREREQUISITE: Accounting I

Accounting II is a course designed for students who intend to pursue a career in business. The course begins with a review of the accounting cycle. The remainder of the course teaches advanced accounting techniques and the application of these techniques to management decisions. An introduction to basic computerized accounting procedures is covered. Practical computerized projects, using actual business forms, are used to reinforce concepts of the accounting cycle and procedures. Business students may qualify for college credit through an articulation agreement.

*Course content may address skills pertaining to these potential Career Zones: *Business, Management, Marketing, & Technology*

FINANCE (VPAA/OLE/SMR) - G135 10, 11, 12 0.5 credit

This course is designed to give students the business financial management and investing skills they will need after high school. Students will explore financial career decisions, fundamentals of investing, personal financial protection, and financial management for business. Students will use technology to assist their learning about stocks, bonds, and mutual funds. They will develop an investment portfolio and a financial plan. Students will complete hands-on simulations on financial topics using Microsoft Excel and the Internet.

**Course content may address skills pertaining to these potential Career Zones: Business, Management, Marketing, & Technology, Human Services*

MARKETING I (VPAA/OLE/SMR) - V150 10, 11, 12 1.0 credit

Marketing I will introduce students to the functions and foundations of marketing. This is a hands-on project-based course that encourages independent thinkers as well as student collaboration. Presentation skills, creativity, soft skills, and mock interviews are part of this course to help prepare students for college and career.

The marketing class will cover the following areas: Marketing, Selling, Economics, Communication Skills, Promotion and Career Portfolios.

Marketing helps prepare students for college level course work as well as immediate entry into the world of work. Students enrolled in the Marketing program will be able to participate in DECA, Association of Marketing students. DECA gives students the opportunity to compete in marketing areas while building self-confidence and networking with business professionals. Participation in student organizations is an instant resume enhancement as well as an incentive on college applications. Marketing I students may qualify for college credit through an articulation agreement.

**Course content may address skills pertaining to these potential Career Zones: Business, Management, Marketing, & Technology*

MARKETING II (VPAA/OLE/SMR/CP) – V160 11, 12 1.0 credit

PREREQUISITE: Marketing I

Marketing II is an upper level marketing course that will prepare students for the collegiate level. This is a hands-on project-based course that will further the foundational concepts covered in Marketing I as well as introduce advanced topics of study.

Marketing II topics that are covered are: Product Service Management, Marketing Research, Promotion/Advertising, Pricing, Human Resources and Professional Career Skills.

Students will explore different career opportunities and college programs available in the business field through the use of guest speakers. DECA is STRONGLY encouraged for students enrolled in Marketing II. Marketing II students may qualify for college credit through an articulation agreement.

**Course content may address skills pertaining to these potential Career Zones: Business, Management, Marketing, & Technology*

MS OFFICE (MCAS) (VPAA/OLE/SMR/CP) - V245 10, 11, 12 1.0 credit

In Microsoft Office student will learn to use basic and advanced features of Microsoft Office 2019 as well as other essential computing concepts. Students will have the opportunity to demonstrate their proficiency by taking the industry recognized Microsoft Office Certification Tests in Word, Excel and PowerPoint. The second semester of Microsoft Office will be primarily project based; allowing students to utilize specific skills covered in the first semester through practical application and a variety of business simulations. Additional business management topics including, but not limited to, international business, human resources, and ethics will be covered. Microsoft Office students may qualify for college credit through an articulation agreement.

**Course content may address skills pertaining to these potential Career Zones: Business, Management, Marketing, & Technology, Engineering, Manufacturing, and Industrial Technology, Health Sciences, and Human Services*
